

## Website of CBTis 136 (My high school)

This website was created by Brandon Alberto Fuentes Ocampo.

Its main purpose is assisting students in the registration of subjects that they had previously failed or generate a file so that they can take an extraordinary exam.

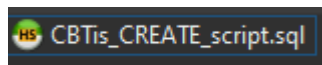

This project was made with HTML, CSS, PHP, JavaScript, and SQL.

### Requirements:

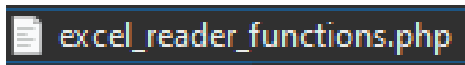

- Have a software that interpret Apache HTTP Server and MarieDB. I recommend XAMPP.  
Download link: <https://www.apachefriends.org/download.html>
- Have a little of knowledge of SQL and databases because you must generate the database in your computer (it is only done once).

### How to use it?

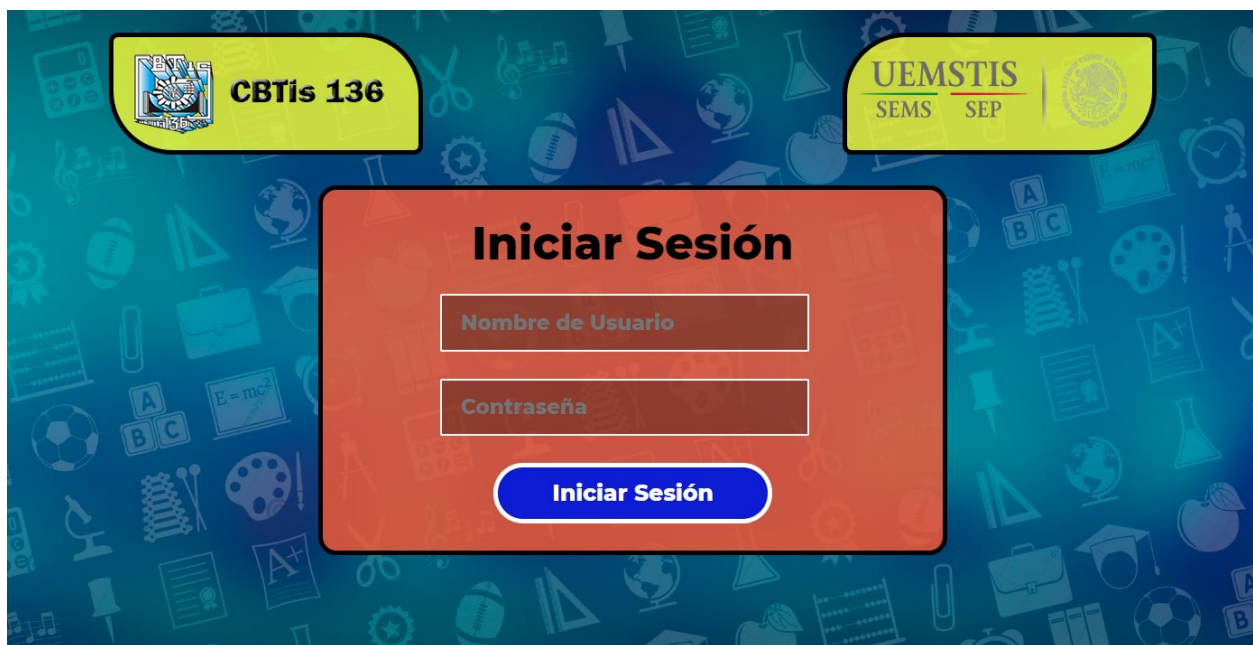

1.- You must create a database in your computer. You use the SQL script localized in **/sql/CBTis\_CREATE\_script.sql** for this.

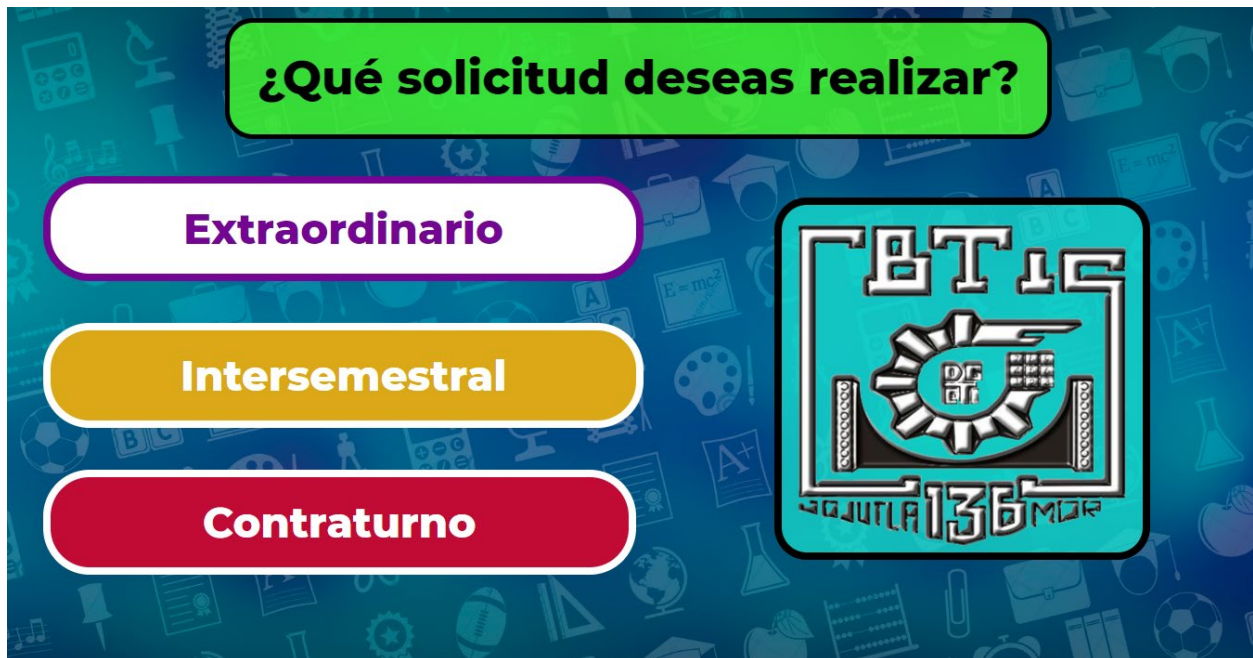

2.- You must open **/tools/excel\_reader/excel\_reader functions.php** with Apache HTTP Server to read all data of .csv files and save them in the database (previously created).

3.- Now, you must open **/website/index.php** with Apache HTTP Server to display the login.

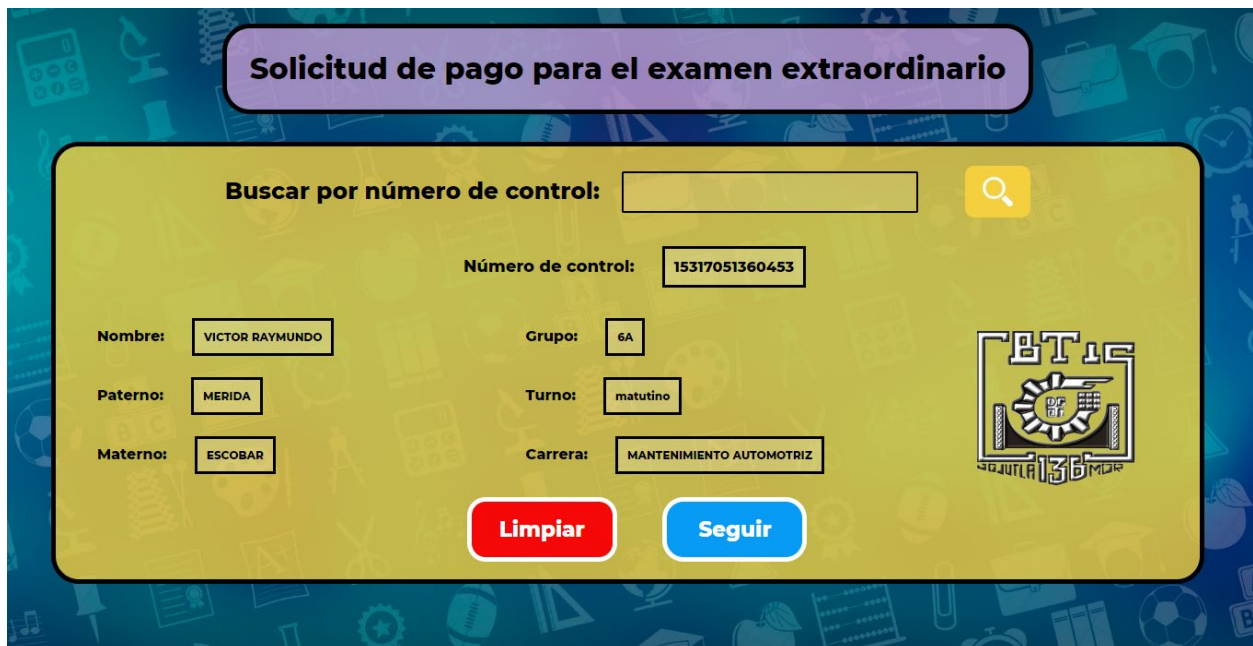

4.- After logging in, it will display 3 options of requests: Extraordinario (extraordinary exam), Intersemestral (inter-semester) and Contraturno (out-of-school hours). You must choose one. In this example, I will choose Extraordinary Exam option.

The screenshot shows a selection screen with a green header box containing the text "¿Qué solicitud deseas realizar?". Below the header are three rounded rectangular buttons: a purple one labeled "Extraordinario", a yellow one labeled "Intersemestral", and a red one labeled "Contraturno". To the right of these buttons is a logo for "BTIC" (Bachillerato Tecnológico Industrial y de Servicios) featuring a gear and the text "JULIA 136 MDR". The background is a blue pattern of various educational icons.

5.- In this part, you must type an ID student to display its information. In this example, I will type this ID-student: 15317051360453.

The screenshot shows a form titled "Solicitud de pago para el examen extraordinario". It has a search bar labeled "Buscar por número de control:" with a magnifying glass icon. Below the search bar, the "Número de control:" is filled with "15317051360453". The form also displays student information: "Nombre:" VICTOR RAYMUNDO, "Grupo:" 6A, "Paterno:" MERIDA, "Turno:" matutino, "Materno:" ESCOBAR, and "Carrera:" MANTENIMIENTO AUTOMOTRIZ. At the bottom right is the same "BTIC" logo. At the bottom are two buttons: a red "Limpiar" button and a blue "Seguir" button. The background is a blue pattern of various educational icons.

If you press Clean Button, the student information will be cleaned, and you can type another ID student.

6.- If you press Next Button, it will display the subjects that student have failed and can take an extraordinary exam. You must choose maximum 3 subjects.

The screenshot shows a user interface for selecting a subject for an extraordinary exam. At the top, there are input fields for 'Paterno: MERIDA', 'Materno: ESCOBAR', 'Turno: matutino', and 'Carrera: MANTENIMIENTO AUTOMOTRIZ'. Below these are 'Limpiar' and 'Seguir' buttons. The main area has a red background with the text 'Elige la materia reprobada que quieras pasar con el examen extraordinario.' and a button for 'MATEMÁTICAS APLICADAS'. At the bottom are 'Regresar' and 'Seguir' buttons.

If you press Return Button, you will return to previous section.

7.- After that, you must choose a teacher that you want to teach you that subject.

The screenshot shows the next step in the process, where the user selects a teacher. The subject 'MATEMÁTICAS APLICADAS' is shown in a box. A dropdown menu is open, displaying a list of teachers: ABARCA IBAÑEZ ELIZABETH, ALARCON ALDANA JULIO, ALMANZA GARCIA ABRAHAM, ALONSO JIMENEZ IVONNE, ALTAMIRANO OCAMPO LUZ MARIA, ARAGON IBAÑEZ LETICIA YANET, ARCE ESPIN VIRGINIA, ARELLANO ANONALES SOCRATES EMANUEL, ARELLANO DIAZ MARIA EUGENIA, ARELLANO HERNANDEZ MARIANA, ARIZABALO ARCE ANA OFELIA, BAHENA ARCE ANA TERESA, BAHENA ARCE DULCE, BAUTISTA MORENO JENNIFER, BAUZAN CARBAJAL OSCAR, BENITEZ AMADOR PENELOPE, BENITEZ DOMINGUEZ GABRIELA, BRITO LUISILLO OSCAR, and CALDERON HERNANDEZ HECTOR GUADALUPE. Below the list is a button to 'ELIGE A TU MAESTRO O MAESTRA...'. At the bottom are 'Regresar' and 'Seguir' buttons.

If you press Return Button, you will return to previous section.

7.- Finally, you get a PDF file with the information (previously chosen). This PDF is a payment request for student can take its extraordinary exam.
